### **Overflow**

Phone: 1-434-793-1111

**DIRECTIONS:** To get to any of the hotels: Come into Danville on US 29 from either north or south. Take US 29 Business (not the bypass). From US 29 Business, take US 58 East, which is Riverside Drive. Look for the hotel. The Hampton Inn is directly across the street from the Holiday Inn. Directions to VIR will be available at check-in at the hotel.

**CAMPING:** We can reserve the camping area at VIR but there must be enough interest to cover the \$300 per night fee, so let us hear from you early if you are interested. We have never been able to get enough interest to get the VIR campground, but this time might be different.

There is a campsite called Hyco Lake that is only 10 minutes away from VIR. It's in North Carolina off of Rte. 57 heading towards Roxboro. The cost is around \$15 for motorhomes and \$10 for tents (per night). This includes water, electricity, and a garbage dump. They can be reached at 336-599-4343.

**TECH INSPECTION:** Please read the enclosed tech inspection for this event carefully. It changes each event because of changing safety requirements. Just because you passed last time does not mean that you will pass this time. Passing tech is your responsibility. If you fail, you can't run. If you need the taller roll bar, contact the Olthoffs immediately and get it scheduled. 704-647-9924.

**REGISTRATION FORM:** Please check your registration form carefully and make sure the information is complete and accurate. If there are any changes, mark them on the form and send it back. If you plan to add a driver, you are encouraged to do that as soon as possible. Notes: (1) A "Rookie" is someone who has not driven the registered car on this track at one of our events. Some very experienced drivers are rookies by this rather narrow definition. (2) Run groups are not yet assigned. (3) Some car numbers are TBD (to be determined).

**RAIN OR SHINE:** We are on rain or shine. These events are expensive to put on and are planned on a tight budget to make them affordable. As a consequence, the entry fee is non-refundable.

If past is prologue, this will be one fantastic weekend. We look forward to seeing you there!
