**VIRGINIA INTERNATIONAL RACEWAY
DRIVING SCHOOL
MAY 28 AND 29, 2007**

AT LAST .. we are having another driver training event at VIR South Course!!!!

This is an opportunity to learn more about your car's capabilities (and yours) on a skid pad and on the road course. This will not be a competitive event. It is a fun event.

To ensure personal attention and adequate track time we have to limit entries to the first one hundred received.

We have booked the track for the whole two days and we expect everyone to use their track time to its fullest. There is also a go-cart track with some very fast go-carts to practice your night driving skills (and to challenge your instructor!) after the day's activities.

You may enter more than one driver per car – please see registration application for details of fees.

Please note: the car will be allocated to a run group irrespective of the number and/or experience of the drivers.

If there are some ladies who would like to take part, we will gladly arrange a group to accommodate them.

We have reserved a block of rooms at the Sleep Inn and Suites hotel located across from the airport and next to Little Richards Restaurant. There will be ample trailer parking.

The contact details for reservations are:

Sleep Inn & Suites

Tel: (434) 793-6090 Fax: (434) 793-6088

E-mail: gm.va372@choic-hotels.com

Address: 1483 South Boston Rd
Danville, VA 24540

Group Name: Cobra

Group Rate: \$70 per night

Regular VIR rates apply for Suites (i.e. \$99.99)

Please note that the cut off for the block booking is 1st May 2007.

VIR Lodge, located at the track, has accommodation available for \$80 per night. Contact details for Lodge and garage reservations: (434) 822-7700 x101. The Lodge is situated near the North Course and our event will be held at the South Course.

Registration and early Tech will begin on Sunday at 4:00 p.m. in the parking area at the Sleep Inn & Suites hotel. A light meal and refreshments will be provided.

Upon receipt of entries we will mail a confirmation packet to you that will contain the Tech Sheets and a Schedule of events.

Please contact Dennis or Mark at (704) 647-9924 with any questions.

Hope to see you there!!
